

# Software Assurance

## SwA Forum

March 5-7, 2013

NIST, 100 Bureau Drive, Gaithersburg, MD 20899

## Summer SwA Working Group Sessions

June 25-27, 2013

MITRE, 7525 Colshire Drive, McLean, VA 22102

The Software Assurance (SwA) Forum and Working Groups provide venues for public-private interaction and collaboration on enhancing software security. Co-sponsored by organizations in the Department of Homeland Security (DHS), the Department of Defense (DoD), and the National Institute for Standards and Technology (NIST), they focus on software security-related advances in practices, products, and standards for software development, acquisition, supply chain management, education and training, tools, and measurement in order to reduce risk.

These are **free events** that are **open to the public**, but registration is required. Please pre-register at [software.assurance@hq.dhs.gov](mailto:software.assurance@hq.dhs.gov), sending your first and last name, phone number, organization, and country of citizenship.

Attendance at the SwA Forums and Working Groups may qualify for continuing professional education credits from the International Information Systems Security Certification Consortium, Inc., (ISC)<sup>2</sup>, and the Information Systems Audit and Control Association (ISACA).

You can also find more information about our sponsors, activities and products by checking the following online resources:
